

Futura Program

The logo consists of the letters 'BA' in a bold, purple, sans-serif font, centered within a white circle. This circle is set against a larger, semi-transparent purple circle, which is itself centered on a background of overlapping teal and purple gradients.

BA

This is the right program for you if:

- You hold an Engineering degree;
- You are fascinated for the manufacturing processes;
- You have a hands-on attitude;
- You would like to be part of a moment of changing in an industry 4.0 environment;
- You aim to develop your skills, both in technical and leadership terms.

What can you expect from this challenge?

- To be integrated in one of the following plant's areas: production, quality and maintenance;
- To support plants' daily operations;
- To participate in Continuous Improvement and Industry 4.0 projects;
